

Roselawn Bowling Club Newsletter

Interclub July 6

Please join us at Roselawn on Friday, July 6 for our Interclub Jitney. Joining us will be members from Meaford, Sauble Beach and Saugeen Shores, many of them 1st year bowlers.

These jitneys are a great way for new members to meet and mix with both new and more experienced members from other clubs. Play starts at 1:30 p.m. so be here 1:00-1:15. Cost is \$2 which includes a snack afterwards. And if you win both your games you get a loonie back! **Can't beat that deal!**

Club Shirts available

Mac Robinson has made arrangements with RAM Promotional for club shirts. It's been a few years since we initially got them. We recommend the standard club yellow golf shirt (Fabric-CoreXL, Model 88181-men, 78181-ladies), but if you already have a yellow one, other colours and styles are available. Price of 27\$ includes Roselawn logo, an additional \$6 for name printed on left, plus tax. RAM Promotional is located at 1580 20th St E—just drop in, tell them you're from Roselawn Bowling Club, and place your order.

Club Announcements

1. League Bowling - There will be no league bowling this year, not enough people have signed up to make it feasible.
2. Bowl storage - If you own bowls and store them at the club, please make sure your name is clearly marked on the outside of your case, and that they are stored on the white shelves on the left side of the office. The shelves along the back are for club bowls only.
3. The Open Trebles Tournament scheduled for July 7 has been cancelled due to lack of entries.

Club Social

All members are invited to a club BBQ on Thursday, July 12, with chicken burgers, salads, and dessert.

We'll start eating around 5:30 p.m. so we can be ready to bowl at 7:00 p.m. Cost is \$5/person, guests welcome. Let Pat Dickey know if you're planning to attend so we have an idea of numbers, 519 376-7870 or cpdickey7870@hotmail.com

Another Job completed

Thanks to Carl Dickey for scraping and painting the irrigation shed. Another coat is planned but it's already looking like new!

Tip of the Week: Moving the jack can be an important strategy, including knocking it into the ditch where it remains in play. Bowls that have hit the jack are marked with chalk, and if they are knocked into the ditch, they too remain in play. If the jack is hit out of bounds, it is replaced at the two-metre mark and play continues.
