The Annual Ron Stearne/McDonald's Singles Tournament will take place next Monday and Tuesday, July 30 and 31st.

Registration will commence at 6:30 p.m., registration fee is \$10, which includes 3 tickets to a Share the Wealth draw. All proceeds will go back to the club. Two games will be played Monday evening, and one game Tuesday—followed by a social. BYOB and snacks.

Meaford Interclub

Members are reminded of Interclub this Friday, July 27 at the Meaford Lawn Bowling Club. They have a 7:00 p.m. start. \$2 to play, which includes a snack afterwards. Please consider participating in this friendly jitney—great opportunity to meet and play with other bowlers. Club is first left past the bridge, laneway is adjacent to gas station (and easy to miss).

Tips of the Week

1. Hold the bowl in your strongest hand.
2. Position your middle finger along the running edge of the bowl. This is the line directly between the face of the bias and the shaved sides. Your finger helps guide the bowl. Use your thumb and index finger to keep the bowl stable on each side.
3. Stand in a comfortable, loose position a step or two from the launch line. Keep your shoulders square to the line you're aiming for, according to Fred Fern Lawn Bowls. Align your arm dead-straight to the aim line, not across your body or out to the side.
4. Take a step toward the throw line. Bend your legs and roll the ball smoothly onto the green. Lean your free arm against your leg to keep yourself steady and accurate. End up in a semi-crouch position, low to the ground with the front foot pointing in the direction of the moving bowl.
